

TO: ALL WORKERS

BRANCH: FIRST CITIZENS

**SUBJECT: PROTECT FIRST CITIZENS' INTEGRITY;
SETTLE NEGOTIATIONS NOW!!!**

DATE: MONDAY, APRIL 07, 2014

Dear Comrades,

AT an emergency meeting of FC Branch Officers held on *April 05, 2014* to discuss both the events surrounding the ***Rahaman/IPO scandal*** that continues to tarnish the image of the Bank and the state of our negotiations, it was decided as follows:

- i) **ON FRIDAY, APRIL 11, 2014** a candle-light vigil will be held to protest both the stink of the ***Rahaman/IPO scandal and its negative impact on the Bank's image***, as well as to demand fair settlement of negotiations for the 2012-2014 Collective Agreement.

- ii) **A** central theme of the vigil is: **RAHAMAN GONE – NYREE AND OTHERS MUST FOLLOW!!!** All indications are that proper governance of the Bank has deteriorated under the Alfonso/Nath leadership.

iii) **THE** protest will begin at ***First Citizens Independence Square branch and end at the Ministry of Finance – Twin Towers***. Howai cannot escape unscathed in this whole scenario.

iv) **MEMBERS of all Branches of the Union, affiliate Unions of NATUC/FITUN/JTUM and the general public are being invited to lend solidarity to this event.** Members of the general public will be especially invited to sign a petition calling for heads to roll over the impropriety associated with the governance of our national bank – **WE BANK!!!**

v) ALL workers are also asked to wear something **RED** to work on **FRIDAY, APRIL 11, 2014** – symbolic of our protest against (a) *Unethical conduct and lack of proper governance in the affairs of the Bank;* (b) *disrespect for the contribution and interests of employees* and (c), *our intention to protect the integrity of our national Bank, which belongs to the people of Trinidad and Tobago and not a select few who cover their acts of larceny and poor ethics by calling it economics.*
